Scissors

Hand Sewing needles

- ONE FAT QUARTER FOR AN EXCHANGE (A Fat Quarter is 18"x20")
- Your favorite snack to share with others
- Show and Tell quilt project if you are staying Saturday night
- Scraps to share

Project Needs: For a 72" x 72" sized quilt

Background fabric – 4-5 yards (I used black but any solid color will do.)

At least three different fabrics for the "swords". These can be scraps but the strips need to be long (longer than the square ruler you will use) and varied in width (from 1-4"). It is better to cut the strips once we are together for the first class.
