# Joy in Our Journey

Joy is a deep sense of well-being that comes from knowing that God is in control. God wants us to be vessels of joy, so that we can share God's love with others, and so that our joy will be complete. But how do we embody God's joy as women of God? How do we live as joyful people? What kind of joy is the Bible talking about?

Our retreat leaders are the **Rev. Beckie Hickok**, pastor of Waverly Presbyterian Church and the **Rev. Betty Angelini**, Executive Director of Crestfield Camp and Conference Center. Both women have a wonderful sense of joy about them and have a passion for sharing Christ's joy with others.

At this retreat come away and grow in your relationship with Christ and experience great joy with other women also on a journey to Joy.

This weekend is for adult women of all ages and interests. Come as a women's group from your church, or come with a friend or two – it doesn't matter, just come! Stay one night or two — you decide!
