

30 HOUR FAMINE/MISSION RETREAT

An Experiential Learning Opportunity For Youth Groups Grades 7-12

An opportunity for youth groups of the Pittsburgh Presbytery to gather, pray, reflect, serve, go without, worship, play, question, wrestle with realities and make a difference...

It doesn't take long to jump on the internet and be startled with facts like, one-sixth of the world's population will go to bed hungry tonight.

In such a broken world we are called by God to seek justice, love kindness and to walk humbly with our Lord.

Join us as we attempt to grasp a small glimpse of what is an everyday reality for so much of the world.

This weekend retreat will consist of times of missional service with local agencies and the opportunity for youth and leaders to go without food for a 30 hour period of time.

Please visit www.crestfield.net for full registration information.
